

to create a lover

- ☛ your name
- ☛ your hairstyle
- ☛ your sign
- ☛ a *tendency* you have, or something you're *coping* with.

to set up a scene

- ☛ Both Lovers chooses two Needs, and all four are recorded on an index card.
- ☛ The Third crosses one out, and optionally underlines another that is on thin ice.
- ☛ The Third chooses their own role in each scene.
- ☛ Frame scenes about *hooking up* or *moving in*.

Aries	A fire sign, cardinal, dynamic and assertive - she usually takes the lead.
Taurus	An earth sign, fixed, determined and collected - she draws a lot of boundaries.
Gemini	An air sign, mutable, talkative and curious - she tends to move on quickly.
Cancer	A water sign, cardinal, sensitive and indirect - she cries often.
Leo	A fire sign, fixed, loving and bold - she doesn't equivocate or hesitate.
Virgo	An earth sign, mutable, caring and observant - she can be hard to please.
Libra	An air sign, cardinal, idealistic and diplomatic - she wants romance to be easy.
Scorpio	A water sign, fixed, intense and capable - she's afraid to show vulnerability.
Sagittarius	A fire sign, mutable, ambitious and free spirited - she burns out at times.
Capricorn	An earth sign, cardinal, resilient and reserved - she isn't freely affectionate.
Aquarius	An air sign, fixed, inventive and earnest - she judges others quickly.
Pisces	A water sign, mutable, intuitive and conflicted - she can be unpredictable.

some Needs -

- ☛ Privacy
- ☛ Warm light, soft textures
- ☛ Enough space
- ☛ Good music
- ☛ Reasonable quiet
- ☛ A reassuring cleanliness
- ☛ Physical security
- ☛ Trusted folks nearby
- ☛ Windows that open
- ☛ A comfortable bed

This list is incomplete. Create your own Needs as necessary.

ending scenes

- ☛ Play scenes until a Lover realizes "*I shouldn't be here.*"
- ☛ You can do brisk interludes to add context between scenes.
- ☛ The role of the Third rotates for each scene.
- ☛ Each scene needs to involve at least one Lover character from a previous scene.
